# STETSONS / BERETS

## Measuring for a Stetson / Beret

Keeping the head straight, using two fingers just above the eyebrows measure around the head including the bulge at the back of the head. This will allow the Stetson to sit properly on the head and not at an angle. List each head measurement separately then order under the Stetson order number.

Shipping extra to your location

Although both youth and leaders can wear either Stetson type, typically the youth would wear the less expensive Stetson.

### Prices listed are based on a minimum order of 3 Stetsons

**PRICING;** The price listed is the store base price, based on the following costs.

- 1 Stetson cost
- 2 HST cost
- 3 Shipping to store

Shipping cost to you will be added to the base price, and that charge will depend on your postal code. Leaders can wear either Stetson type.
